CONCRETE SUPERINTENDENT

Mammoth Sports Construction is seeking a Concrete Superintendent with a minimum of 3 to 5 years of commercial construction experience. The Concrete Superintendent is responsible for managing and directing the flow of work; following safety standards; coordinating with project managers; and maintaining daily field documents of all activities on site.

ABOUT MAMMOTH SPORTS CONSTRUCTION

Mammoth Sports Construction is a full-service, turnkey sports company for schools and athletic complexes that can help design, budget, fundraise and build the projects of their dreams. Mammoth offers complete design-build services and is respected nationally as an industry leader with projects completed at the highest levels of sports, including the NFL, Big 10 Conference, Northern Sun Conference, Big 12 Conference, MIAA Conference, Southeastern Conference, Heart of America Athletic Conference and many others nationwide. Mammoth is a family owned and operated company with the corporate headquarters located in Meriden, Kansas, and an additional office opening this summer in Sioux Falls, South Dakota.
