PROJECT DESIGNER 1

Mammoth Sports Construction is looking for a versatile and driven Project Designer to join our growing team. We are searching for candidates who are creative, forward thinking, detail oriented and work effectively in a collaborative team environment while also working autonomously on given tasks. This role will involve design and concept development working with Design/Build and Business Development teams.

ABOUT MAMMOTH SPORTS CONSTRUCTION

Mammoth Sports Construction is a full-service, turnkey sports company for schools and athletic complexes that can help design, budget, fundraise and build the projects of our partner's dreams. Mammoth offers complete design-build services and is respected nationally as an industry leader with projects completed at the highest levels of sports, including the NFL, Big 10 Conference, Northern Sun Conference, Big 12 Conference, MIAA Conference, Southeastern Conference, Heart of America Athletic Conference and many others nationwide. Mammoth is a family owned and operated company with the corporate headquarters located in Meriden, Kansas, and an additional office opening this summer in Sioux Falls, South Dakota.

JOB LOCATION: Meriden, KS

SALARY: TBD Based on Qualifications + Benefits

RESPONSIBILITIES:

- Work with design team to develop design concepts through construction documents.
- Develop initial concepts in conjunction with Business Development team.
- Strong communication skills and work ethic with demonstrated efficiency, flexibility and desire to grow and work within a dynamic team environment while being able to self-manage and work independently.
- Experience and understanding of engineering systems, equipment, technology requirements, detailing and how they relate to construction preferred.
- Perform construction administration duties for conformance with design intent and construction documents.

POSITION QUALIFICATIONS:

- Strong writing and presentation ability.
- Self-motivated and self-disciplined in a collaborative studio environment. Able to organize, encourage and lead small project teams.
- Proficiency in Revit software preferred.
- Proficiency in Photoshop, Illustrator, Sketchup and InDesign graphic software preferred.

EDUCATION & EXPERIENCE:

- Bachelor's or master's degree in Architecture or equivalent preferred.
- Minimum of 1 to 3 years of diverse design experience preferred.

Mammoth is a growing design/build company that offers an environment where professional growth is encouraged and provide venues to firm ownership.
